

2017 Cajal Xmas Meeting

Instituto Cajal, Madrid. December 22nd

"The CajalXmas meeting is an exciting scientific forum at the renowned Instituto Cajal (CSIC), in the heart of Madrid. The long-established CajalXmas meeting brings together young and independent researchers from all over the world to present and discuss their work in a informal environment before Christmas.

This one-day meeting will cover all fields in Neuroscience and is conceived to attract promising young neuroscientists with interest in spreading their research, joining our institute or explore scientific collaboration. The meeting is specially convenient for neuroscientists that happen to be in Spain during Christmas.

Speakers will be selected from submitted abstracts and will be eligible for the Best Communication Prize
